

Accessible Environment Inclusive Society

www.aeis.cloud

Four webinars to reflect on the culture of accessibility, to share experiences on how to build a world without any architectural, technological, cultural, or social barriers that may exclude many people from fully participating in society.

New perspectives from experiencing limits (Saturday September 11, 2021)

Accessibility and built environment (Saturday October 9, 2021)

Accessibility to information and communication (Saturday Nov 13, 2021)

Accessibility and inclusion (Saturday December 11, 2021)

h. 2 pm (Italian time)
